PRESS RELEASE

June 1st, 2022 Donation of combined 220 gas mask + multipurpose filters to citizens in Ukraine. The conflict in the Ukraine has endangered the lives of thousands of innocent citizens. We wish we could do more. To help as best we can we have provided the Government and Citizens of Ukraine with life-saving equipment that can be deployed in the event of Russian use of chemical and biological weapons against Ukraine.

Special thanks for all the logistics and coordination goes to:
Belgium Public Health Emergencies ; rescEU CBRN EU Commission;
Europa ; SPF Santé Publique, Sécurité de la Chaîne Alimentaire et Environnement.
